SUMMARY

I'm a skilled full stack web developer with 1 years of experience in creating user-friendly websites specializing in cutting-edge technology to build innovative solutions that meet the needs of today's digital world. I stay updated with the latest frameworks like React and Next.js. I have a keen eye for detail, focus on usability and performance optimization. I enjoy collaborating with cross-functional teams and have strong communication skills. I'm passionate about staying up-to-date with emerging trends and technologies in web development.
